NOTICE

Dear Members,

GST Implementation from 1st July 2017

You are aware that the Goods & Services Tax (GST) will be implemented from 1st July 2017.

On account of switch over of the computerized billing system of the Club, in line with GST requirement, we need to shut down the system from 1st July 2017. As such, all bills relating to Club's services will be done manually till upgradation of the system, hence, will be time consuming.

Your cooperation in the matter is solicited.

For Secretary
